WILLOW DAHLIA
GARDENS

1927

CEDAR GROVE,
NEW JERSEY.
INTRODUCTION

It is with great pleasure that we present our 1927 list of Dahlias and Gladioli. We wish to thank our customers for their generous patronage which has made the past a most successful season. We shall try to merit a continuance of this patronage by only sending out the best of stock and it is unusually good this year. We have several excellent seedlings which we are holding for another season and which can be seen growing in our display garden this coming year.

Sincerely

F. R. WAITE, JR.

Our Own Introductions

**BARBARA WAITE** (Dec.) A very healthy vigorous plant, producing large well formed flowers on long, straight stiff stems. Color a beautiful shade of gold overlaid with soft pink. This Dahlia was very much admired in the Bronx Botanical Gardens where it was seen growing this year. Certificate of Merit at the New Jersey Dahlia Society trial grounds.

**FIREFLY** (Dec.) One of the most vivid Dahlias in our gardens. A fine petalled decorative of fiery orange. A very free producer of large flowers on straight stiff stems.

**ROBIN HOOD** (Hyb. Cac.) A wonderful large, well formed flower of true hybrid cactus type on good stems. A splendid Autumn shade, deep terra cotta, overlaid rose, with a golden sheen to the petals. The late flowers will be as large as the early ones. Free bloomer, good growth and foliage.

**ROSS WAITE** (Hyb. Cac.) This Dahlia has been at the trial grounds under the name of “Chink,” but as it is such a fine Dahlia, we decided it was worthy of a better name. A wonderfully well formed hybrid of true type. Petals twist and interlace to form a bloom of great size and depth. Stems are long, straight and stiff, carrying the flower perfectly erect. Color a beautiful clear picric yellow. Certificate of Merit at the New Jersey Dahlia Society trial grounds. Stock limited.
ROSE GLOW. (Dec.) 1925. Very large flower of deepest shade of rose with silver tips. The broad petals fold back to form a flower of great depth. Does not sunburn or bleach. Stems are long, straight and stiff, carrying flower perfectly erect. Tubers $7.50, plants $3.50

W. H. WAITE'S INTRODUCTIONS FOR 1927

JERSEY ELEGANTS. (Dec.) Spinel pink, medium sized flowers, produced very freely on good stems. The foliage is fine cut, and rough in texture, and is not much affected by the leafhopper, cert. N. J. 1926. Tubers $10.00, plants $5.00

JERSEY'S FIANCEE. (Dec.) Rose pink in color, with the point of each floret, slightly tipped gold, the flowers can be grown to a good size, and the stems are always good. The foliage is inclined to be pale and should be kept sprayed to offset the ravages of the insects. Cert. 1925. Tubers $10.00, plants $5.00

JERSEY'S SUNSHINE. (Dec.) Light greenish yellow, sometimes streaked with Amaranth pink, flowering habit profuse. Stems are very stiff, and erect, flowers are large, and well formed. Cert. 1925. Tubers $10.00, plants $5.00

JERSEY'S SWEETHEART. (Dec.) Whilst this is not one of the very large varieties, the daintiness of its flowers, make it very desirable and attractive. In color it is a delicate pink, shading to white in the center, a splendid cut flower variety, the stems are slender and stiff, and the flowers are produced in great number. Cert. 1926. Tubers $5.00, plants $2.50

JERSEY'S WONDER. (Dec. to Pft.) This flower is a mixture of Apricot yellow, and pinard yellow, with a pink suffusion on the reverse. The first flowers are decorative in type, and very large sometimes over twelve inches and borne on good stems. The later flowers are inclined to be peony, with slightly pendulous stems. A vigorous grower, and profuse bloomer. Cert. 1925. Tubers $10.00, plants $5.00

INSULINDE. Large flower of rich golden orange, of very pleasing formation. Tubers $1.00

J. B. WAITE (Starr) (Dec.) Huge deep lavender with broad curling and twisting petals. A free bloomer on good stems. Tubers $7.50, plants $3.75

JERSEY'S BEAUTY (Waite). The most consistent prize winner ever produced. The only real pink Dahlia. One of the features of the New York show. The formation stem and growth of this Dahlia are as near perfection as is possible. Tubers $2.00, plants $1.00
JERSEY'S SUPREME. (Dec.) A very pleasing shade of clear Laelia pink; the flowers are of medium size, it is a very free bloomer, the stems slender but stiff. Tubers $10.00, plants $5.00

JUDGE MAREAN (Marean). A very large flower of perfect type and difficult to describe, produced on strong, stiff stems. A blending of glowing salmon, pink, red, iridescent orange, yellow and pure gold. One of the most beautiful dahlias ever created, and should be in every garden. Tubers $1.00
JERSEY'S IDEAL. (Dec.) The color of this variety is best described as lavender-pink, although sometimes it is nearer lavender; the flowers are usually borne face up on top of the stem; it is a large flower, having long, broad petals which gracefully fall, making a very deep flower; it has ideal stems. Plants only $5.00

JERSEY'S MONARCH (Waite). Very large, deep flower of beautiful salmon shading to yellow at base of petals; excellent long, stiff stems. Tubers $2.50, plants $1.25

JERSEY'S MAMMOTH (Waite). Can probably be grown larger than any Dahlia; blooms of twelve inches and over are common, without forcing. A truly magnificent flower of a deep orange-bronze on stiff stems. Tubers $10.00, plants $5.00

JERSEY'S SOVEREIGN (Waite). A gorgeous medium-sized flower of salmon-orange on long, stiff stems. Tubers $2.50, plants $1.25

LUETTA (Mrs. Waite) (Dec.) Very fine light yellow on capital stems. Tubers $5.00, plants $2.50
Jersey's Ideal
MARMION (Mastick). Truly, among the very largest in our garden. Most flowers are dwarfed when placed near it. The color is pure golden yellow, with bronze suffusion on reverse of petals and a deep bronzy tone on the high center, and outlining each petal. The stems are good, and hold the immense blooms gracefully above the sturdy plant. Marmion is an excellent variety for the “Largest Dahlia in Show” competition .................................................................Plants $5.00

MARGARET WOODROW WILSON (F. & M.) It is an exhibition type, decorative, of large size and great beauty. Color is opalescent-pink. Face of petals creamy white, reverse Phlox-pink, the reflection from reverse of petals giving the whole flower an opalescent effect. Petals are broad and well placed, terminating in points, making a thick flower. Strong, upright stems, dark green foliage, medium height. Awarded certificate of Merit by Dahlia Society of New Jersey, trial grounds New Brunswick, N. J., 1925, score 86.

Tubers $5.00, plants $2.50

MEPHISTOPHELES (Marean). As an exhibition flower this dahlia has no peer; enormous blooms held perfectly erect on gigantic stout stems; will keep for four days at an exhibition and continue to grow. Plants are of extraordinary vigor and free flowering. Color is ruby red, showing an infinitesimal golden yellow point at the very end of the petals, thereby greatly enhancing its effectiveness.

Tubers $2.00, plants $1.00

MABLE THATCHER (Marean). An immense exhibition flower of a rich yellow on long, stiff stem ..........................................................Tubers $1.00

MARAGARET MASSON (F. & M.) One of, if not the best, Dahlias turned out by Fisher & Masson. A huge beautifully formed flower, silvery rose-pink. A splendid keeper when cut. Tubers $3.50, plants $1.75

M. H. De Young (Boston). Pure old gold without any shading; large flower on long, stiff stems; must really be seen to be appreciated ............................................................Tubers $7.50, plants $3.75

MR. CROWLEY (Broomall). One of the brightest and most exquisite Dahlias; bright glowing shade of salmon-pink ..........................................................Tubers $1.00

ELEANOR VANDERVEER (Seal). The best Dahlia from the Coast 1926. A very large rose-pink of fine formation on very long, straight stiff stems ..........................................................Tubers $10.00, plants $5.00

MRS. ELEANOR MARTIN (Pelican). Another splendid one from the Coast. Very large flower of Mulberry; excellent stem and habit of growth ..........................................................Tubers $3.50, plants $1.50

MRS. E. L. LINDSLEY (Broomall). Scarlet and gold; huge blooms on stiff stems ..........................................................Tubers $1.00

MRS. GEORGE W. ELKINS, JR. (Root). Beautiful old gold suffused salmon-pink, on good stems; a splendid exhibition Dahlia. Tubers $1.50

MRS. F. A. C. PERRINE (F. & M.) A mammoth flower of a lovely shade of lilac-pink; petals twist, and make flower of great depth.

Tubers $5.00, plants $2.00

MRS. I. DE VER WARNER (Marean). A soft orchid colored Dahlia of large size, perfect stem and formation. Should be in every garden, as it is one of the most satisfactory Dahlias in cultivation.

Tubers $1.00, plants $.75

MRS. FRANCIS E. BULLARD (Broomall). This is an immense flower of a beautiful light pink, shading to white; splendid stems.

Plants only $2.50
MORDELLA (King). A real art Dahlia. A beautiful shade of apricot buff; wonderful under artificial light. Tubers $2.50, plants $1.50

MYRA VALENTINE (Mills). A large golden bronze on extra long, straight stems. A large vase of this Dahlia in our display at New York, in 1924, attracted a lot of attention. Tubers $2.00, plants $1.00

NOBILIS (Doolittle). A sport of Earl Williams in which the white predominates. Considered by many to be superior to Earl Williams. Tubers $2.00, plants $1.00

OLIVE REED (Seal). A big deep yellow that is distinct. Will probably be seen in many prize winning exhibits this coming year. Tubers $7.50, plants $3.50

PAUL MICHAEL (Michael). A pure gold color of immense size and very pleasing formation. Tubers $1.00

POP STEWART (F. & M.) Giant decorative. This is a remarkable flower of great size. In the young stage the petals appear rosy pink but as it matures the flower undergoes a complete transformation, toning out into a most exquisite shade of the purest lilac-pink. We can recommend it as one of the finest Dahlias of its shade in existence. It is a wonderful grower, with splendid stem. Awarded Certificate of Merit, trial gardens, Dahlia Society of New Jersey, scoring 90 points. Tubers $5.00, plants $2.50

PRIMULA REX (Broomall). Very well named King of the Primroses. This is probably the very best new variety introduced last year. The flowers are massive in form and a light cream or English Primrose color. The flowers are large and produced quite freely on splendid stems. An exhibition variety of exceptional merit. Plants only $5.00

ROBERT TREAT (Mueller). Brilliant American Beauty rose of wonderful formation. Winner of Garden Magazine sweepstakes at New York, 1924. Tubers $2.50, plants $1.25

ROSE FALLON (Harding.) One of the largest of the new introductions. A truly magnificent decorative of pleasing shades of amber, russet, and salmon. The formation is perfect, and the stems are excellent. The foliage of this beautiful variety is very dark and handsome. Rose Fallon is a wonderful keeper, and lasts for days when cut. This dahlia can easily be shown in the largest bloom class. Tubers $10.00, plants $5.00

ROMAN EAGLE (F. & M.) A flower that is typically an Autumn shade, which has helped make the dahlia “King of the Autumn Season.” Large exhibition decorative of a flaming, brilliant, burnished copper color; one of the most admired dahlias in our field, as well as at all the Eastern shows. Flowers held well above dark green foliage on stiff stems. Medium height plants, profuse bloomer. Awarded Certificate of Merit by Dahlia Society of N. J., 1925, with a score of 89. Tubers $5.00, plants $2.50

ROSA NELL (Broomall). Clear bright rose color, flowers very large, fine for exhibition, good keeper, one of the best shaped decorative dahlias in existence, is a rare color, and attracts immediate attention wherever seen. Plants, $.75
Jersey's Beacon
SAGAMORE (Badetty Bros.) An exceptionally fine exhibition or cut flower of a golden color, shaded toward the center with a warm salmon-rose or orange buff. Stems straight and stiff and wonderful keeping qualities when cut make this flower most desirable.

Tubers $3.00, plants $1.50

SALBACH'S WHITE. The most perfectly formed white dahlia we have ever grown. Its unusually perfect formation and waxy appearance make it an outstanding and much admired variety. The stems are perfect and hold these fine, large white flowers proudly erect.

Tubers $10.00, plants $4.00

SANHICAN'S GEM (F. & M.) This flower was voted one of our very best by a majority of visitors to our field during the summer. Color is a delightful shade of old rose, thickly suffused with amber in the young state. At maturity it is a clear old rose with a sheen which glistens in the sunlight. Petals are large and thickly placed, true staghorn type. Awarded Certificate of Merit by D. S. of N. J., 1925, score 87. One of our best.

Tubers $5.00, plants $2.50

SEAL OF CONNECTICUT (Alling.) Wonderful shade of deep clear yellow one of the outstanding dahlias at New York. Plants only $4.00

SUSAN G. TEVIS (Boston). A Dahlia that will produce quantities of large well formed deep lilac blooms throughout the season. A fine exhibition variety.

Tubers $3.00, plants $1.00

TRENTONIAN (F. & M.) A blending of old gold, amber and bronze. Fine large flower on straight, stiff stems. Wonderful exhibition or cut flower.

Tubers $8.50, plants $1.50

WINFIELD SLOCUM (Slocombe). Gold, shading to burnt orange. A very fine cut flower; excellent bloomer.

Tubers $2.00, plants $1.00

WIZARD OF OZ (Doolittle). Salmon-rose, shading to amber in the center; one of those that just naturally grow big.
